

28 August 1950

MEMORANDUM FOR: MANAGEMENT OFFICER
THRU: ACTING EXECUTIVE

SUBJECT: Statement of Management Improvement
Activities

REFERENCE: (a) Attached Draft dated 23 August 1950,
Statement of Management Improvement
Activities

1. We know that Budget prefers poundage and gobbledegook generalization to clarity and brevity, so concur in this Statement as amended.

2. We don't understand a lot of it and assume such non-professional comprehension is not necessary. In some instances, however, we have corrected statements of fact and have added marginal notes to show our recommendations. Draft Statement of 23 August is returned herewith.
